Product Description:

The iheartradio mobile application allows listeners to stream over 350 radio stations directly from their BlackBerry, Android and iPhone/iTouch. This free application offers a mixture of local radio stations (Z100 – NYC, Lite-FM – Chicago, KISS – Los Angeles) and national stations (Pride Radio, American Top 40, Elvis Duran Show, Christina Aguilera Radio, Eagles Radio, etc.)

Weekly Stats:

- CUME - 350,000 listeners each week
- Total minutes per user – 120 mins
- Over 3,500,000 sessions
- Over 4 Million Downloads
- iPhone - #3 Free Music App
- BlackBerry - Top 50 App overall
- 350+ Stations – favorites, album art, lyrics, shake it!

- Go to www.iheartradio.com

- Download the application

- Try **iheartradio** for yourself

Note: Content also available as API for device integration

iheartradio is radio through your device
